## From a strictly Mathematical Viewpoint:

What Equals 100%? What does it mean to give MORE than 100%? Ever wonder about those people who say they are giving more than 100%? We have all been in situations where someone wants you to give over 100%. How about achieving 101%? What equals 100% in life?

Here's a little mathematical formula that might help you answer these Questions:

If:

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

Is represented as:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26.

Then:

**H-A-R-D-W-O-R-K**

$$8+1+18+4+23+15+18+11 = 98\%$$

and

**K-N-O-W-L-E-D-G-E**

$$11+14+15+23+12+5+4+7+5 = 96\%$$

But,

**A-T-T-I-T-U-D-E**

$$1+20+20+9+20+21+4+5 = 100\%$$

AND, look how far the love of God will take you

**L-O-V-E-O-F-G-O-D**

$$12+15+22+5+15+6+7+15+4 = 101\%$$

Therefore, one can conclude with mathematical certainty that: while **Hard Work** and **Knowledge** will get you close, and **Attitude** will get you there, it's the **Love of God** that will put you over the top!

## Apologetics

An atheist can do good things, but he does not have a reason for doing good things.  
Anthropic Principle + Multiverse = Atheistic Explanation for Universe and Life  
Atheism = A Grim and Bleak World  
Atheism = Absolutely No Absolutes  
Atheism = Accidental Brain = undermines science by denying rationality  
Atheism = Blind Faith  
Atheism = Godless Utopia = No Good or Evil = No Justice = no Judge  
Atheism = Irrational Skepticism  
Atheism = No basis for morals except utilitarianism  
Atheism = No Good + No Evil  
Atheism = No Morals = Utilitarianism  
Atheism = Human Life is Accidental + Purposeless + Valueless  
Atheism = Obsession to Silence Alternate Views  
Atheism = Unguided random evolution = irrationality = delusion  
Atheism = We do not know how it happened—but it was not God.  
Atheism = We do not know where morals come from—but they did not come from God.  
Atheism = We do not know why we are here—but it is not for God.  
Atheism is a faith—“Don’t you believe in atheism?”  
Atheism cannot explain cosmology = The universe must be exactly right to life is exist  
Atheists have murdered millions more human beings in the last 100 years than  
Christians and Jews through all of history.  
Blind Faith + Time = No Faith  
Christians who forced their beliefs on other in the past were disobedient to the teachings  
of Christ—this is not true of all other faiths.  
Christianity = Faith + Evidence  
Christianity = Parable of the Good Samaritan  
Communism = Atheism  
Complex Design = Intelligent Design  
Creation = Science  
Darwinism does not explain life.  
Darwinism = Garden + No Gardener  
Disobedience to Christ’s Teachings = Fanatics = Crusades  
Evolution = Blind Physical Forces + Reproduction /= determine good and evil  
Evolution = Deprivileging of Human Beings  
Evolution = Nothing + Time = Everything  
Evolution = Simplicity + Time = Complexity  
Garden = Gardener  
God = Ultimate Reality  
God = Uncreated Creator  
Human Brain + DNA + Eye = Evidence for Intelligent Design  
How can an uncaring universe give us a sense of ought?  
How do you know that Hitler was evil?  
If God does not exist, everything is permissible.  
If we are the product of natural selection, how can we rise against it?  
Imagine a world without atheism = No Stalin, Mao, Pau Pot, gulags, Cultural Revolution,  
Hitler, Lennon, Castro  
Just as atheists are not all the same—religions are not all the same; some religions are  
violent, and others are not.  
Life = Organized Complexity

Limits of Science /= Who am I? Why am I here? Where am I going?  
Miracles = ~violations of the laws of nature  
Miracles = Supernatural intervention of the laws of nature  
More people have died at the hands of atheists in the last 100 years than of Christians throughout history.  
National Geographic = AD 1888  
OT = Love your Neighbor = Leviticus  
Resurrection = Miracle = Supernatural = Judge = Justice  
Science /= Ethics or morals  
The belief that the cosmos is all there is—is a faith.  
There is a cross-cultural consciousness of what is moral and right and wrong.  
To have an ought morals have to come from something greater than you: Self, society, nature are insufficient. Self is equal. Society is equal. Nature is below.  
Universe = Organization + Complexity + Beginning = Designer  
Violence + Blind Faith = Dangerous  
Watch = Watchmaker  
Whitehead's Thesis = Christianity => Science  
What is the basis of morals?  
Where did you get the notion of right and wrong?  
Which is the real delusion: Atheism or Christianity?  
You cannot get ethics from science.
