

## SHADOW MOUNTAIN COMMUNITY CHURCH

June 30, 2020

Dear Members and Friends of Shadow Mountain,

I cannot begin to describe my joy at being able to address you in person in our two services this last weekend. There was such a great sense of God's presence as we met together both on Saturday night and on Sunday morning.

As you may have heard, we have changed the time of the Saturday evening service from 5:00 p.m. to 6:00 p.m. This was done in order for us to enjoy the cool of the evening instead of the heat of the late afternoon. We look forward to seeing many more of you Saturday evening at 6:00.

This weekend we will be celebrating America in both of our services. And both services will be exactly the same. Incredible music and video will fill the majority of the hour, and I will speak for a very few minutes as I always do. As I told you last weekend, there will be a special surprise in both services, and that is all I am going to say about that. Please come early to get a good seat and plan on being blessed as we are reminded of the privilege we have to live in this great nation.

As I write this letter, we have been told by the county commissioner that we will not be able to hold our High School graduation in our new gathering space. In fact, they told us that those who attend graduation will have to remain in their cars. We are not sure what to do with this information, but we are diligently working on it and will be in touch with our school family as soon as we figure out how to legally conduct this important ceremony.

One final thing before I share the numbers from last weekend. Next weekend, July 11th, our venue churches will be allowed to return to their churches under strict guidelines for the first time. I know that will be very special to all of you who are part of these wonderful congregations.
