

## SHADOW MOUNTAIN COMMUNITY CHURCH

July 8, 2020

Dear Members and Friends of Shadow Mountain,

July 4th is past, and we are now (the way that I calculate things) into the official summer season. And what a July 4th weekend we had at our church. We couldn't have church in our Worship Center, so we had church outdoors, and it was unbelievable. The music, the screen shots, Michael, the virtual choir, the Shadow Mountain singers and our amazing orchestra. And to top it all off, two Seals jumped out of an airplane over our gathering, and carried the great American flag to a landing on our soccer field. If you did not get to participate in this service, you owe it to yourself to pull it down off of our website and watch it. It will encourage your heart.

This weekend we return to our series called "Forward." I want to talk with you about investing your life in something eternal. And this is not primarily about money. It's about outliving your life! Important life principles for all of us...

This weekend, our venue campuses return to their facilities for the first time since Covid-19 hit us. We know you have to make some adjustments to stay in line with the requirements, but we are so happy for all of you that you get to return to your congregations.

If you haven't already made plans to get your kids in our virtual Summer Blast program, go to our website and learn how to enroll.

Finally, I want to urge you to keep on praying for our church and for our schools. We are enrolling new students almost every day and we are meeting weekly to plan for our opening in August. We currently have eleven elementary classes that are full, across all of our schools. Don't wait too long to get your children or grandchildren enrolled. We are going to have a great school season.

And now here is what happened last weekend in our ministries:
