

SHADOW MOUNTAIN COMMUNITY CHURCH

July 21, 2020

Dear Members and Friends of Shadow Mountain,

I think we have found our sweet spot for our weekend services. The Saturday and Sunday services at 7:00 p.m. felt like church and it was such a joy to be with all of you and to preach to such a receptive group of people. And the attendances were terrific. We had 1,141 on Saturday night and 1,157 on Sunday night. So 2,298 for the two services. Once again, it was a beautiful sight from the stage, and it looks so good online. Thank you for coming back to church, and for following the safety guidelines. We can do this!

A week from this coming Monday, our Hispanic congregation will return to their church service...holding a one hour worship service in our new worship space. I am so excited for Erick Zaldana and his wonderful congregation of Christ followers.

And let me say a word about our schools. I know that everyone is anxious about our determination to return to our regular school schedule in August. No matter what you have heard, we are still fully planning to do this. I am working with three different attorneys and we are filing a waiver to get this done. The state of Texas has given all private schools the permission to reopen, and many other states are following that same pattern. We are working every day to reopen our schools on time. I will not rest until we have done everything possible to get our students back in the classroom. If you continue to plan and to pray, and we continue to lead and to work...we can get this done. Let's encourage one another and keep moving toward our goal.
