

Getting Started

1. When was the last time you gave assistance to someone who couldn't help himself/herself? What did the person need? How did you provide for that need?
2. Describe a time when you were unable to provide for your own needs.

Digging Deeper

1. Read John 5:5. Misery is something common to us all. Describe a season in your life when you felt helpless, hopeless, and despondent.
2. Loneliness and misery seem to go hand in hand. Read the Bible passages below. How is being sad and dejected alone different from the same experience with friends around us?

Psalm 31:11

Psalm 88:18

Psalm 142:4

John 5:7

3. Jesus heals our lives. In what way has Jesus healed you of your shame, guilt, confusion, doubt, or misery?
4. Sign miracles point to something greater. What was the greater miracle accomplished on this day?

Bringing It Home

1. Read John 5:6-7. In what way are you like the paralytic? What part of your life feels helpless or hopeless?
2. As you put your faith and hope in the Savior's hands, how will your life change? Get better? Be healed? What is your next step of faith toward Jesus?
