

Getting Started

1. In the past six months, how has your once-ordinary life changed?
2. As the challenges and changes have become more known, what part of your life feels normal, common, or unremarkable?

Digging Deeper

1. Describe a time when you had a seemingly trivial need that was inexplicably taken care of. To what/whom did you give credit for this solution?
2. Pastor Jeremiah said, "We make a mistake when we confuse God's greatness with bigness." What is the difference between greatness and bigness?
3. Read Genesis 1:27 and Matthew 10:29-31. In what way do these Scriptures teach us that we are amazingly ordinary and extraordinarily loved?
4. Read Philippians 4:9. In the middle of our worldwide crisis, how has God continued to meet your needs?
5. Read Proverbs 16:9 and Psalm 127:1. How do these passages remind us that—ultimately—God is in charge of every little detail of our lives?

Bringing it Home

1. What is a current, seemingly trivial need that you have? How are you viewing this need: 1) I'm all alone in this/It's my responsibility to handle; or 2) God cares for me and my needs?
2. On a scale of 1-10 (1=low; 10=high), what is your current state of dependence on God? How might you move your dependence factor up a few notches this week?
