

Getting Started

1. When have you received really good news? How did this news make you feel?
2. What about during this time of crisis? What good news have you received?

Digging Deeper

1. Read Luke 4:18-19, Romans 4:25, and 1 Corinthians 15:1-3. How has your understanding of Jesus – and all that He’s done for you – been good news?
2. Read 2 Kings 7:1-2. We heard, “A lot can change in twenty-four hours.” Describe an experience when something dramatic happened to you in the span of only 24 hours?
3. When have you felt the pull to stop believing the good news of the gospel, even if only for a time? What happened?
4. We also heard, “God gives us others to help us trust His promises.” When has a family member, spouse, or trusted friend helped you cling to the promises of God?
5. Read Mark 2:17. Pastor Jeremiah also said, “Good news is for desperate people.” What does it mean to be desperate? How does the good news impact our desperation?

Bringing it Home

1. Are you currently seeing your life as a glass half empty or a glass half full? What might you need to do so that your joy, excitement, and hope in Christ can grow?
2. How is your confidence-in-Christ right now? What percentage of your heart does doubt hold? What can you do this week to turn away from doubt and embrace the promises of Jesus?
