

Getting Started

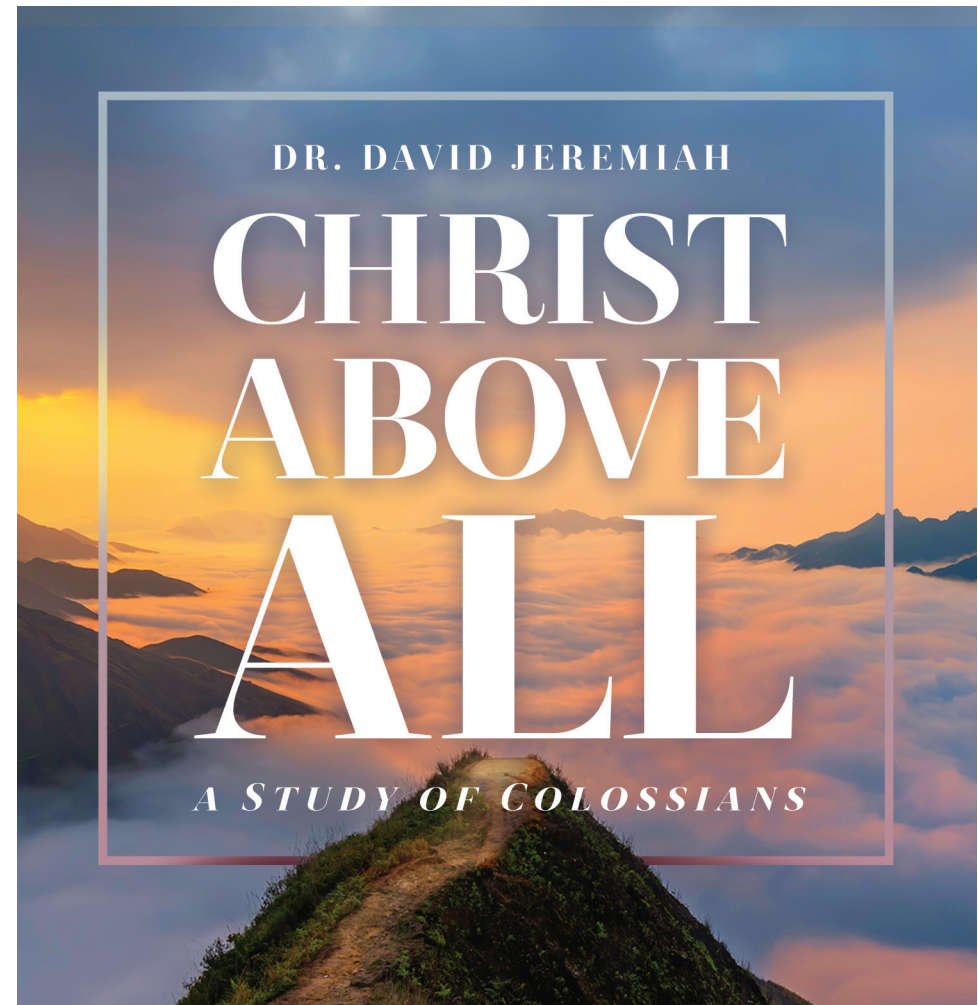

1. Describe a time when you believed something to be true, only to then find out that it was not true.
2. Now talk about a time when you believed that someone was being honest with you, and only later did you realize that this person had intentionally told you a lie.

Digging Deeper

1. Read Colossians 2:3-5. Where does Paul say the true source of wisdom and knowledge can be found. How have you found this to be true in your own life?
2. Read Colossians 2:6-7. When did you receive Christ as your Savior? Get baptized? From this passage, what are some next steps of faith every believer needs to take?
3. Read Revelation 3:14-15. What does it mean to be “lukewarm?” Describe someone who lives this way.
4. Read Revelation 3: 18-19. How do correction and discipline help us in our Christian walk? When have you experienced this truth in your own life?
5. Read Colossians 2:5. What qualities and practices, in the Colossian believers, did Paul rejoice about? Describe someone you know who has this type of character.

Applying The Message

1. Read Colossians 2:7. Currently, what steps are you taking to become (and stay) “rooted and built up in Christ” and “established in faith?”
2. Describe the way(s) in which studying God’s Word, praying, and living out what the Bible instructs gives you strength to resist “persuasive words” and false teachings.
