

Philippians Study Ch 5

Week 5 Philippians Celebration Email

Hi,

This is our last time chapter in the Philippians study, and we are going to celebrate that, and wrap up this wonderful book.

This week I encourage you to read and listen and to the entire book a few times, and to:

1. Prayerfully note Paul's main points in each chapter.
2. Observe how keywords and repeating words/phrases tie the chapters together and increase understanding of what Paul is teaching.
3. Review all the things you have learned in this study, asking yourself:
 - a. What am I applying to my life?
 - b. What do I need to work on?
 - c. What memory verse/s or mini memory verse can I commit to routine meditation?

As you prayerfully seek the guidance of the Holy Spirit in your reading, enjoy the blessing of God's perspective on life. It is precious and powerful to read the Word, think it, talk about it and live it!
